

product name

CORE 3.6.11+14Ca+0.5B

Designed for common use. The most problem in winter time is that farmers can not make often application. Limited time and limited weather they have. And need min. 10 days for next application. They take care flowering, fruits and pollination. Existing market products mostly include the formulation as sperately and available to mix each others. We thought and decidedtp produce the ingredients to solve all demand in one product. And born CORE. formulation of CORE 3.6.11+14Ca+0.5B Core can be applied by foliar and drip in safely. We say community of phosphorus, potassium, calcium and boron.

dosage of

CORE 3.6.11+14Ca+0.5B

healer and great cure fro greens

2Kg./hectar for foliar application (mix plant nutrients)

10Kg. drip irrigation for soil applications

ingredients of

CORE 3.6.11+14Ca+0.5B

Nitrogen 3% (w/w)

Phosphorus Pentaoxide 6% (w/w)

Potassium Oxide 11% (w/w)

Calcium Oxide 14% (w/w)

Boron B 0.5% (w/w)

pH 3-5

Notes:

GL physical form

All growth period it can be applied

Max. 10 applications till harvest

No residu, less using

Keep airproof packages

advised to use alone
