

product name **MUSCUS**

Main Purpose: Healer Muscus is advised for damaged plants through insect and fungal pests in tissues. Muscus is formulated as corrective and constructive on damaged parts of plant. As soon as it touches damaged area, accelerates therapy reactions. Immediately, protects itself and forwards energy damaged areas for repairing. Muscus makes perfect lateral roots by GABA (Gamma Amino Butyric Acid). GABA is a kind of root hormone to accelerate lateral root formation of plant. Muscus promotes flowering by Cytokine. Activates Phosphorus in soil by drip irrigation. Foliar application of muscus with micro elements will reveal strong flowers, perfect pollination and quality fruits. Muscus makes stronger the fruit stem, tomato clusters and grape bunch by Gibberellic acid & manitol. Also Muscus is enriched by organic acids to activate plant nutrients.

dosage of **MUSCUS**

Special combination of hormones, seaweed and bacterias
